EARLY MARKET ENGAGEMENT NOTICE

CONSTRUCTION FOR THE EXPANSION OF THE PROVIDENCE LANDFILL

Solid Waste Management Project

CLASS 1

BUILDING CONTRACTORS

The Ministry of Environment, Climate, Energy & Natural Resources (MECENR), through the Program Development & Coordination Section (PDCS) intends to launch a competitive works tender for the **Construction for the Expansion of the Providence Landfill** under the World Bank-financed Seychelles Solid Waste Management Project.

In line with international best practices and World Bank procurement framework guidelines, the Employer is undertaking an **Early Market Engagement** exercise prior to the publication of the official bidding documents.

Project Scope:

- **Module 1 & Module 2:** Large-scale civil engineering, heavy earthworks, and landfill cell construction at Providence, Mahé.
- **Specialized Work:** Installation of geosynthetics and high-density polyethylene (HDPE) lining.

Who Should Respond:
This notice is directed at licensed **Class 1 Building Contractors** (or international firms looking to form Joint Ventures) with proven experience in heavy earth movements and infrastructure projects.

How to Participate:
Interested Class 1 contractors should email the address below to register their interest and receive details about an upcoming **Meeting Brief.**

Closing Date to Register: 23rd October 2026 at 3PM through email address below sandra.ibrahim@env.gov.sc copied to WBprojectcoordinator@env.gov.sc and cpc@env.gov.sc

A tentative Meeting Brief is to be held on the 26th October 2026. More details will be given ONLY to contractors who convey their interest and registration by the 23rd October 2026.
